

Calling all Gardeners

Do you have a green thumb? Do you like to play in the mud? How about enjoy the outdoors, sunshine and the smell of spring? If you answered YES to all the questions, you would be the perfect candidate to volunteer for Spring Work Weekend at the Lodge and some upkeep on the landscaping.

Otherwise committed that weekend, no problem! We'd love to have you, but understand it is the Kentucky Derby Weekend. You already admitted you have a green thumb and like to play in the dirt, so by default we know you are a gardener.

Are you splitting off rhizomes, separating Hosta plants that have become too large for your landscaping, or just redesigning a floral or foliage feature in your yard...?...Please consider donating your plant excesses to the Lodge. Just let Steve Henn (seadog@gttoast.net or phone 419-704-6323) or Jody Bender (jrb24@sbcglogal.net or phone 419-666-1959) know you have something to share and arrangements will be made to pick up your offerings. Remember, your unwanted items of beauty are a treasure to the "Northern Jewel" in Walloon Lake.
