Terms and Conditions

TSC/MOUNTAIN MAN Ski Trip

March 15-22, 2020

General Trip Policy: The trip prices result from using aircraft and/or busses and assuming all seats will be filled, at special fares which are booked more than nine months prior to departure. Additionally, long-term lodging commitments have been made. Serious financial penalties will result from cancellation of group transportation and lodging bookings. The passenger, as beneficiary of the low rates, is expected to share in this responsibility and it is therefore imperative that a firm deposit, payment and cancellation policy is fully understood by all prospective passengers. There will be no refunds for any unused portion of the trip. Please read below carefully so as to avoid any possible future misunderstandings. All participants are encouraged to purchase trip insurance, which is available on an individual basis upon request to the Trip Chairperson.

Checks payments only, no cash accepted. Payment dates correspond with the payment due dates to the travel agent. Payments can be made earlier but not later than due date. Trip participants are expected to become current with the payment schedule at the time of their sign up. Trip reservation commitments should be made as soon as possible to ensure a spot.

Late Payment Charge: A late fee of \$5 will be charged on all payments received a week late, \$10 will be charged on payments received late more than two weeks.

Cancellation and Refund Policy: Cancellation of an individual trip between sign-up and before **October 1, 2019** will result in a refund of all recoverable expenses. Cancellation after October 2, 2019 and up until departure can result in a 100% cancellation charge of all collected payments to date. Every effort will be made at the time of cancellation by the chairperson to replace a cancelled passenger with another and/or recover participant's costs less any cancellation fees or name change fee issued by air carrier (United). Once issued, airline tickets are nonrefundable, but if cancellation occurs after ticketing and prior to travel date, the cost of the airline ticket may be credited and reused by the individual within one year of issued date for a fee (plus any fare difference) on another United flight if no replacement is found, by the trip leader. TSC or Mountain Man cannot guarantee success in obtaining replacements or refunds. All cancellations must first be made verbally followed by in writing (email) to the Trip Chairperson. Any refund due will be made as soon as possible but no later than 60 days after completion of the trip.

Baggage Requirements and additional charges: Checked and carry-on baggage policy for all airlines has changed and will continue to change. Skier baggage is limited to two bags; second bag equals one ski bag and one boot bag combined. Bag charges are the responsibility of the trip participant.

Carry-on luggage can be taken on the airplane provided it will fit under your seat (limited to a size of 9"X13"X23").

Air Carrier and Tour Operation Conditions: The passenger tickets in use by the airlines, when issued, shall constitute the sole contract between the airlines and the passenger. Airlines concerned are not to be held responsible for any act, omission, or event during the time passengers are not on board the aircraft. The liability of the carriers for baggage accompanying passengers is limited to their stated liability policy. Liability other than that stated by the carriers is at the owner's risk. The Tour Operation, cooperating agents, act only in the capacity of agents for the various owners and contractors providing means of transportation or other service. As such, they shall not be liable for any death, injury, personal injury, damage, loss, accident, delay or irregularity which may be occasioned either by reason or any defect in any vehicle, or through the acts or default of any company or person engaged in conveying the passenger, or in carrying out the arrangements of any tour, or otherwise in connection therewith.

Neither the Tour Operator and/or agents, or the airlines concerned are not to be held responsible for a lack of snow or non-operation of lifts at ski resorts or for closure of access routes to and from resorts due to snow or weather conditions; nor are they to be held liable of any additional expenses or consequences arising there from. Similarly they are not to be responsible for the late arrival or passengers at airports or at resorts due to inclement weather or road conditions, or for any other reasons beyond their control; nor are they to be held liable for payments of any refund for unused hotel accommodations, meals, or other tour inclusions occasioned by such late arrivals at the hotel holding rooms as per confirmed itineraries.

Special Arrangements: Although the trip is a packaged group trip, every possible effort will be made to honor special requests by individuals such as; land package only, land and lift ticket package only, land and air only or special rooming arrangements. The individual participant shall make any special requests in writing to the Trip Chairperson with the reservation form and in turn the Trip Chair shall confirm the request with a written response.

Airline, Airport or Bus Fuel Surcharge: Both the air carrier or airports and bus carrier may impose additional fuel surcharges at any time to the tour operator which will be passed on to the tour participants.

Responsibility and Liability: The TSC Board, Mountain Man, Trip Chairperson and Tour Operator reserves the right to withdraw the tour, to refuse to accept or retain any person as a member of the tour at any time, or to make changes in the transportation the day of departure, or pass on any additional surcharges incurred to the participants of the trip.

An individual waiver of responsibility must be signed by each participant on the trip. See following reservation form.
